**Please ship any gages to be calibrated or quoted for repair to the address on the packing slip below. If you would like a packing slip in excell format so that you can easily customize it to meet your needs contact your representative and we will send one to your attention immediately. Please place the packing slip and a purchase order made out to "Walden Gage" in the box with your gages and forward a copy of the purchase order to: [Sales@waldengage.com](mailto:Sales@waldengage.com). Thank you for your business.**
